10. Website

- a. *When you visit our website*
When you visit our website www.thegoddesscode.com.au we may collect certain information such as browser type, operating system, website visited immediately before coming to our site, etc. This information is used in an aggregated manner to analyse how people use our site, such that we can improve our service.
- b. *Third party sites*
Our site may from time to time have links to other websites not owned or controlled by us. These links are meant for your convenience only. Links to third party websites do not constitute sponsorship or endorsement or approval of these websites. Please be aware that we are not responsible for the privacy practices of other such websites. We encourage our users to be aware, when they leave our website, to read the privacy statements of each and every website that collects personal identifiable information.

11. Use of Cookies

- a. *What is a Cookie?*

A cookie is a small piece of data that a website asks your browser to store on your computer or mobile device. The cookie allows the website to "remember" your actions or preferences over time. Most Internet browsers support cookies, however, users can set their browsers to decline certain types of cookies or specific cookies. Further, users can delete cookies at any time.

b. *Why do we use cookies?*

We use cookies to learn how you interact with our content and to improve your experience when visiting our website. For example, some cookies remember your language or preferences so that you do not have to repeatedly make these choices when you visit our website. We also use cookies to help us with geolocation tracking to present you with more relevant information. Additionally, cookies allow us to serve you specific content, such as videos on our website. We may employ the learnings of your behaviour on our website to serve you with targeted advertisements on third-party websites in an effort to "re-market" our products and services to you.

c. *What types of cookies do we use?*

(i) *First-Party and Third-Party Cookies* – we use both first-party and third-party cookies on our website. First-party cookies are cookies issued from our domain that are generally used to identify language and location preferences or render basic site functionality. Third-party cookies belong to and are managed by other parties, such as our service providers. These cookies may be required to render certain forms within our website.

(ii) *Session Cookies* - Session cookies are temporary cookies that are used to remember you during your visit to the website, and they expire when you close the web browser.

(iii) *Persistent Cookies* - Persistent cookies are used to remember your preferences within the website and remain on your desktop or mobile device even after you close your browser or restart your computer. We use these cookies to analyse user behaviour to establish visit patterns so that we can improve our website functionality for you and others who visit our website. These cookies also allow us to serve you with targeted advertising and measure the effectiveness of our site functionality and advertising.

d. *How are cookies used for advertising purposes?*

Cookies and ad technology such as web beacons, pixels, and anonymous ad network tags help us serve relevant ads to you more effectively. They also help us collect aggregated audit data, research, and performance reporting for advertisers. Pixels enable us to understand and improve the delivery of ads to you and know when certain ads have been shown to you. Since your web browser may request advertisements and web beacons directly from ad network servers, these networks can view, edit, or set their own cookies, just as if you had requested a web page from their site. Although we do not use cookies to create a profile of your browsing behaviour on third-party sites, we do use aggregate data from third parties to show you relevant, interest-based advertising. We do not provide any personal information that we collect to advertisers. You can opt out of off-site and third-party-informed advertising by adjusting your cookie settings. Opting out will not remove advertising from the pages you visit, but, instead,

opting out will result in the ads you see not being matched to your interests. This implies that the ad(s) you see will not be matched to your interests by those specific cookies.

e. *How are third party cookies used?*

For some of the functions within our website we use third party suppliers, for example, when you visit a page with videos embedded from or links to YouTube. These videos or links (and any other content from third party suppliers) may contain third party cookies, and we encourage you to consult the privacy policies of these third party vendors on their websites for information regarding their use of cookies.

f. *How do we reject and delete cookies?*

You can choose to reject or block all or specific types of cookies set by virtue of your visit to our website by clicking on the cookie preferences on our website. You can change your preferences for our website and/or the websites of any third party suppliers by changing your browser settings. Please note that most browsers automatically accept cookies. Therefore, if you do not wish for cookies to be used, you may need to actively delete or block the cookies. If you reject the use of cookies, you will still be able to visit our website but some of the functions may not work correctly. By using our website without deleting or rejecting some or all cookies, you agree that we can place those cookies that you have not deleted or rejected on your device.
